

# Map to the Petaigen River Boat Launch Opening onto Tobin Lake South (fish, boat, paddle)

Drive north of Carrot River on highway 23; take a right onto highway 55 and an immediate left onto highway 123. Drive North to the sign directing you left onto a gravel road, just at the top of the curve. Follow this gravel road north until you reach the boat launch area.

---

The Petaigen River, just a short 20 minute drive North of Carrot River is a great place to set in, launch a boat or cast a line. The river has a concrete boat launch for your convenience.

Enjoy this peaceful, quiet river that leads out to the southern part of Tobin Lake. Catch fish, watch the water fowl or paddle the calm waters!
