Take your pick of one, two or all three of these activities! All of these outdoor facilities are in, or very close to the Town of Carrot River, thanks to the Carrot River Outdoors Club.

You will require a SK. Wildlife Federation membership, these are minimal cost and available at the Carrot River Town Office.

Please be sure to read the signs posted at each location and abide by the regulations.

If you are a firearm enthusiast, have all of your appropriate training and certification you can enjoy target practice at this state of the art rifle range, just a short drive out of town (see map and watch for signs)

---

The trout pond is located a short 5 minute drive East of Carrot River (see map and watch for signage) and is stocked with trout annually. There is a large dock to make fishing access easy! Bring your own gear or shop for supplies at the CO-OP and CR Service Centre

The outdoor archery range features a variety of galleries for those with their own equipment or, you can borrow a beginner set up and use the NASP lane! Call 306-768-2515 to arrange this.
