Medical Clinic Committee Recommendation

The Medical Clinic Committee recommends that a \$1.00/hour increase be awarded conditionally to Lynda Gurbach and Denise Bokinac for the purposes of investing the funds into an RRSP or pension plan that they will manage. The condition for the increase being that additional funding is received from the Saskatchewan Health Authority (SHA) for rent of our Clinic facility in the pending contract renewal. The committee further recommends that the \$1.00/hour amount be retroactive to January 1st, 2023 as long as the increase in SHA funding takes the Clinic Budget out of a deficit.
