Title: Recycling and Waste Disposal Policy	Policy Number: EPH-04
Authority: Resolution 2026-199 - July 21, 2026 Council Minutes	Next Review: July 2027

Purpose:

This policy outlines the guidelines and applicable rates for recycling and waste disposal for residents in the Town of Carrot River

Recycling:

The Town of Carrot River promotes recycling and participates in the Multi Material Stewardship Recycling Program. The Town provides biweekly curbside residential recycling pickup through its contractor, MTN Disposal.

Commercial property owners are invited to contract directly with MTN Disposal to pickup their recycling and waste materials.

Deposit containers and several non-deposit household glass containers can be recycled in Nipawin at SARCAN.

Used Oil Recycling:

The Town of Carrot River offers used oil recycling through GFL Environmental at no charge to Town residents during regular Transfer Station hours, as set by the Public Works Foreman. Staff must be present during drop-off of used oil and filters to direct, inspect, and assist in the correct recycling parameters. Public Works Staff retain the right to deny any oil they believe to be contaminated.

What is accepted:

- Uncontaminated used engine and motor oil
- Clean and drained oil filters

Conditions:

- Used oil is in a closed, labeled container (ideally original containers, containers can be returned to individuals if requested)

Landfill:

The Town of Carrot River is a User of the Tisdale landfill which is located outside of and managed by the Town of Tisdale.

The Town of Carrot River contracts with MTN Disposal for weekly residential garbage pick-up. Commercial properties contract with MTN Disposal directly.

Transfer Station:

The Town of Carrot River owns and operates a “transfer station” which is open twice per week for regular 45 minutes intervals and at the discretion of the Public Works Foreman .

Customers may drop off refuse for the following prices:

- | | |
|---|-------------------|
| • Standard Garbage Bag/Box | \$ 2.00 |
| • Car Trunk/Van/Loader Bucket Load | \$ 10.00 |
| • Half Ton Pickup Load | \$ 25.00 |
| • One Ton Load | \$ 40.00 |
| • Three Ton Load | \$ 80.00 |
| • Tandem Truck Load | \$ 150.00 |
| • Stove/Microwave/Water Heater/ Safe/ Dishwasher/ Box | |
| Spring/Mattress/Desk/Couch/Chair/Table | \$ 15.00 |
| each | |
| • Refrigerator/Freezer/Air Conditioner | \$ 45.00 each |
| • Tire | \$ 5.00 each |
| • Charge for Pickup of garbage | \$ 25.00 per load |

Organic Material Dump:

In the summer and fall only, the Town of Carrot River allows property owners to dump personal organic materials west of the “Old Town Dump” free of charge.

People dumping organic materials as a business should have a business license with the Town.

Please contact the Town Office to register and reserve a key when you need to use our organic dump.

Approved Materials Include:

- Lawn clippings
- Tree Stumps, branches, and shrub trimmings
- Garden plant refuse
- Leaves
- Untreated, unpainted wood
- Compostable collection bags
